COVER MESSAGE

Re: United States Patent Application No. 09/595,533

Further to our telephone conversation this morning, attached are copies of the references listed in the Information Disclosure Statement in respect of the above-identified U.S. application. Unfortunately, we did not retain a copy of the reference "Klaus, Haberstroh, "Kleingerate im Internet", pgs. 38-40" in our file.

I will be forwarding to you a copy of that reference in the next day or so.

We look forward to your issuance of an Office Action by July 3, 2003.
